

HAVE YOU EVER WONDERED IF IT'S POSSIBLE TO CREATE CONSISTENT CASH FLOW?

Does money go out as fast as it comes in? Wondering when your business will finally turn a big profit?

PROFIT FIRST: THE CEO'S PRACTICAL GUIDE TO CASH FLOW, PROFITS, AND PAYING YOURSELF FIRST

Debra Angilletta creator of *The Cash Flow Fix* and *Certified Profit First Professional* brings you a power packed program designed to help you finally catapult your cash flow, while creating the business & lifestyle you deserve.

Debra supports owner/founder CEO's in growth stage companies (\$1M - \$10M revenues) to improve profits so you can strengthen cash flow, maximize returns, and position yourself for a lifetime income, acquisition, or deeper impact in your marketplace. She puts her 20+ years of Wall Street finance expertise to work for business owners, entrepreneurs and C-level executives. She's a sought after speaker, author, facilitator & outsourced CFO. She is the presenter of popular programs such as "Profit First: The Business Owner's Practical Guide To Big Profits And Paying Yourself First". She is the publisher behind "Accelerate: The Magazine" for entrepreneurs on the fast track to profits.

This powerful, 45-minute, program will show you:

- ◇ #1 way to **increase cash flow** in your biz that you never knew existed (Hint: its right under your nose)
- ◇ The surprising truth about **how to hit your revenue goals month-after-month**
- ◇ The "small plates" money hack that **instantly turbo charges your business profitability**
- ◇ Learn the **secret to securing future profits** by having one key conversation with your banker
- ◇ The **big GAAP in your current accounting system** (what you need to do to fix it). **This will change EVERYTHING!**

Debra has been invited to speak at Morgan Stanley, Hunter Douglas, Women In Finance, Bergen County Professional Women's Network, NJAWBO, Accomplished Women's Organization, and Morris County Chamber of Commerce. She partners with CEO's, business owners and entrepreneurs in technology, real estate and medical practices to create profitable businesses.

"I knew I needed to re-focus my business and find higher-paying, better-suited clients. Working with Debra, I now have more confidence to set boundaries with my clients and ask for deposits up front for my services. I have more discipline around my time at work, increased efficiency and more confidence, truly stepping into the role as the CEO of my business. My revenue has increased by 192% this year! And I'm keeping more of it!"
